General Admission Requirements

Freshmen: Admission is determined by the Admission Decision Score (ADS). Applicants with an Admission Decision Score of 649 or higher will be granted full admission. Applicants with an Admission Decision score between 550 and 648 will be granted admission but will participate in one of Northeastern's Student Success Programs.

The Admission Decision Score is calculated as follows; $(ACT\ Composite)(10)+(GPA)(200)$. The highest ACT Composite score and weighted or unweighted GPA, whichever is highest, is used in the calculation.

Transfer: Cumulative GPA of 2.0 or higher (4.0 scale) from all colleges or universities attended. Must be in good academic standing at last college or university attended.

Readmission: Cumulative GPA of 2.0 or higher (4.0 scale) from all colleges or universities attended after stopping out of Northeastern. Must be in good academic standing at Northeastern.

Second Bachelor's: Earned bachelor's degree from a regionally accredited college or university.

Bachelor of Arts in Interdisciplinary Studies: Cumulative GPA of 2.0 or higher (4.0 scale) from all colleges or universities attended. Must be in good academic standing at last college or university attended full-time. Attend mandatory admission workshop.

General Information for Applicants

1. A non-refundable \$30 application fee (or application fee waiver from your high school or community college counselor, for those who qualify) is required with the application. Any application received without the application fee or waiver will not be processed. **Do not send cash.**
2. The application and all materials, such as official transcripts, test scores, and immigration documents are required by the application deadline. Coursework listed on another school's transcripts is not acceptable.
3. Official transcripts and test scores must be in a sealed envelope from the sending institution. Opened transcripts are not considered official.
4. All documents submitted become the property of the University and will not be released to the student or outside party for any reason.
5. If you are a permanent resident, please submit a copy of your permanent resident card. If you have been granted asylum, refugee status, or are adjusting your status, you must submit appropriate documentation from U.S. Citizenship and Immigration Services office. If you are on a visa or are an international applicant, you must submit a copy of your valid, non-expired visa.
6. Applicants who served in the U.S. Armed Forces should submit a copy of form DD-214, copy 4. You may also submit your Joint Services Transcript for possible transfer credit.
7. Applicants who are admitted while still enrolled in high school will have a registration hold placed on their record which will prevent further registration until final official transcripts with graduation date posted are received by the Admissions Office.
Applicants who are enrolled in college credits and/or in the process of completing an associate degree should submit their final transcripts when grades or degree are posted. It is the student's responsibility to ensure that Northeastern has the most up-to-date transcripts to ensure transfer credit is awarded and to avoid taking duplicate coursework.
8. The University reserves the right to rescind your admission if your final college/university cumulative GPA falls below our minimum admission requirements.
9. This application is valid only for the semester for which you are applying. If you do not enroll in that semester, you must either defer your admission to the next semester, or you will need to submit a new application for a future semester. The application term may be changed one time per application, provided the request is made prior to the application deadline. The deferment form is available online at neiu.edu.
