

Undergraduate Advisor Directory

Northeastern Illinois University offers advising services to help you learn about the majors we offer, the degree requirements for each major, University policies and much more. Meeting regularly with an academic advisor promotes student success by providing you with information, guidance and support so you can develop and achieve your academic goals.

➔ If you have not declared a major, you can speak to Academic Advisors in the Advising Center.

➔ If you have declared a major, contact your Department or Professional Advisor using the telephone number listed after your major.
