NEIU Main Campus (Chicago, IL)

### Why Choose Northeastern?

Northeastern Illinois University is committed to providing an affordable education. That's why our tuition and fees are among the most affordable of the Illinois public universities. We offer a **tuition guarantee program** that guarantees incoming students the same tuition rate for four years.

Northeastern offers more than 40 undergraduate degree and certificate programs, with classes on weekdays, evenings, weekends, and online. Small class sizes allow for students to pursue a more personal academic experience in one of the most ethnically diverse universities in the nation.

### Art (Studio Art Concentration) Program Description

Northeastern's Department of Art + Design offers an undergraduate program leading to a Bachelor of Arts degree in Art. The fundamental objective of the Art + Design Department programs is to provide and promote a knowledge and understanding of the visual arts. The studio concentration gives students hands-on exposure to a variety of skills, both analytic and technical, in order to help students express concepts visually. Programs in the department prepare students to pursue graduate school, careers in the arts or teaching, and emphasize lifelong learning.
