

## Morton College Transfer Guide Bachelor of Arts in Sociology

Available at:  
NEIU Main Campus (Chicago, IL)

### Why Choose Northeastern?

Northeastern Illinois University is committed to providing an affordable education. That's why our tuition and fees are among the most affordable of the Illinois public universities. We offer a **tuition guarantee program** that guarantees incoming students the same tuition rate for four years.

Northeastern offers more than 40 undergraduate degree and certificate programs, with classes on weekdays, evenings, weekends, and online. Small class sizes allow for students to pursue a more personal academic experience in one of the most ethnically diverse universities in the nation.

### Sociology Program Description

Northeastern's Department of Sociology offers courses leading to a Bachelor of Arts degree in sociology. Additionally, students may choose an eighteen-hour minor in sociology.

Sociology is the systematic study of human societies, their patterns and arrangements, their processes of development and change. Course offerings cover sociological theories, research methods, gender and sexuality, race and ethnicity, inequalities, social institutions, social issues, social action and social change.

A major in sociology can provide a useful orientation for students who plan to attend graduate school or seek careers in community-based organizations or in such fields as education, human resources, urban planning, law, community organizing, social welfare, or research in government and private organizations.
