

City Colleges of Chicago Transfer Guide Bachelor of Science in Environmental Science

Available at:
NEIU Main Campus (Chicago, IL)

Why Choose Northeastern?

Northeastern Illinois University is committed to providing an affordable education. That's why our tuition and fees are among the most affordable of the Illinois public universities. We offer a **tuition guarantee program** that guarantees incoming students the same tuition rate for four years.

Northeastern offers more than 50 undergraduate degree and certificate programs, with classes on weekdays, evenings, weekends, and online. Small class sizes allow for students to pursue a more personal academic experience in one of the most ethnically diverse universities in the nation.

Environmental Science Program Description

The Bachelor of Science degree in Environmental Science integrates a wide range of scientific disciplines necessary to understand the environment and the many interactions among its components. These interactions include the impact of human activities on the environment and the impact of the environment on humans. This degree will prepare graduates for careers in industry, consulting, research, and academics, as well as federal, state and local government, among many other areas.
