

Oakton Community College Transfer Guide Bachelor of Science in Earth Science

Available at:
NEIU Main Campus (Chicago, IL)

Earth Science Program Description

The Bachelor of Science degree in Earth Science prepares students for further graduate study or for careers in the hydrogeological, geotechnical, and environmental fields, as well as areas related to environmental geosciences. Programs have the flexibility to meet individual student needs for career preparation or for graduate studies. Areas of concentration of coursework have an emphasis in environmental geology, including mineralogy-petrology and mineral resources, hydrogeology, soil science and geotechnical areas, and lake systems. Techniques of problem-solving in geology and environmental geosciences are emphasized.
